"The Tire & Auto Repair Masters"

YOUNGSTEDTS IS PROUD TO INTRODUCE NEW MANAGER NIK SCHULER,
providing the same high quality service to all our Waconia customers!

Get to know Nik Schuler...

I grew up in Chaska, MN and graduated from Chaska High School. From there I went on to attend college at the University of Wisconsin-Stout. I grew up working on and around cars with my father and have always taken an interest in cars and motorsports. I was notorious for asking "how" and "why" so much to the point it drove my dad crazy.

I started at Youngstedts Chanhassen at the age of 16 performing oil changes and replacing tires on cars. Youngstedts provided me with amazing training and I moved up to a technician upon graduating high school. I worked for Youngstedts while attending college on the weekends, summers and winter breaks. I have always enjoyed working with people so I decided to set the wrenches down and work towards the management side of the shop. I was the Service Manager of Youngstedts Hopkins as well as Youngstedts Eden Prairie before I became the Store Manager at Youngstedts Waconia.

I moved to Waconia recently and I drove by Youngstedts Waconia location for several months with the hope that I could one day work there. I moved to Waconia because I like it here a lot and the people are very friendly. I am pleased to be here and very eager to serve my fellow neighbors.

When I'm not working I spend as much time as I can on the golf course, I also enjoy fishing, hunting, skiing, snowmobiling and playing basketball.

I look forward to meeting you soon!
Sincerely, Nik
